From the ENC (R&B), Roads, Hyderabad Letter No.12201-1/Plan/ EE-R/DEE2/ AEE2/2012, dt: 20-03-2013.

ORDER:

In the reference read above, the Engineer-in-Chief (R&B), Hyderabad has stated that the work **Construction of High Level Bridge across River Nagavali connecting Narayanapuram with P.J. Peta in Srikakulam district.** is an important connectivity between two (R&B) Rural Roads Kollivalasa – Akkulapeta Road with Santhakavit – Chittaripuram Road duly connecting interior villages in interior Mandals (Burja, Amadalavalasa, Rajam & Santhakaviti). The above road also connects Inter State Roads such as Vizianagaram – Palakonda road and Calingapatnam – Srikakulam – Parvathipuram Road (SH) and the road will reduce the distance between interior Mandals and will be short cut to reach the Inter State Border. At present the two wheeler traffic is passing on the downstream apron of Narayanapuram Anicut. During floods, the two wheeler traffic is also totally cut off and the public have to travel more than 45 to 50 Km to reach the Villages in Santhakaviti (M). Hence it is proposed to construct a New Bridge, on Nagavali River. He has also stated that, by constructing the bridge about 45 to 50 Kms distance will be reduced to reach the District Head Quarters of Srikakulam and Vizianagaram District and about 100000 people will benefit. If the above Bridge is constructed the overall economic growth in this interior area will be facilitated and hence there is great necessity to Construct the above Bridge across River Nagavali.

2. The Engineer-in-Chief (R&B), State Roads, Hyderabad has further certified that Stage-I approval is not required as detailed investigation is completed and designs are being finalized. An amount of Rs.72 lakhs is required for Shifting of Utilities. However this will not cause any hindrance for grounding of the work as Utilities can be shifted within 2 Months from date of Administrative sanction and before grounding the work. A proforma estimate for Construction of High Level Bridge across River Nagavali connecting Narayanapuram with P.J.Peta in Srikakulam District is submitted amounting to Rs.34.20 Crores.

3. The Engineer-in-Chief (R&B) Roads, Hyderabad has requested to accord Administrative Sanction for an amount of Rs.34.20 Crores for the subject work.

4. Government after careful examination of the matter, hereby accord Administration Sanction for an amount of Rs.34.20 Crores (Rupees Thirty Four Crores and twenty lakhs only) for the work of Construction of High Level Bridge across River Nagavali connecting Narayanapuram with P.J. Peta under Plan MDR 2013-2014.

5. The amount sanctioned in para -(4) above shall be met under the head of account 5054- COL on Roads and Buildings 04- District and Other Roads GH 11- Normal State Plan MH 800- Other Expenditure SH(07)- Major District Roads 530- Major Works 531- Other Expenditure.”

(PTO)

6. The Engineer-in-Chief (R&B), Roads, Hyderabad shall take further action accordingly.

7. This order issues with the concurrence of Finance (Exp.P.W.) Department vide their U.O. No. 9271-A/340/Exp.P.W.II/13, dt:18-04-2013.
